To our valued customers,

It is with great pride and nostalgia that we share the news on an incredibly difficult decision that we had to make. After an incredible journey spanning three decades, Karnemaat's Greenhouse is closing its doors permanently.

For thirty years, we have nurtured beautiful plants, fostered community connections, and served our customers with passion and dedication. It has been an honor to have been successful in this commitment while contributing to the vibrant spaces of many communities.

While we have made the decision to close our greenhouse, we do so with immense gratitude for the support and loyalty of our customers, suppliers, and partners. Your trust has been the cornerstone of our success, and we are deeply appreciative of you.

Karnemaat's will continue to pursue opportunities in other areas that are more aligned with our farming operation. This includes expanding our trucking/logistics operations, selling seeds through partnerships, and growing our equipment sales company.

Again, we thank you,

**Karnemaat's L.L.C.**
